# Benefits for the Public Sector

- ✓ Enhance your ability to coordinate with private sector and other agencies across jurisdictional boundaries - based on your preferences
- ✓ Improve your ability to leverage private sector resources and expertise – both local and national-scale companies
- ✓ Provide greater visibility of impacts to private sector and situational awareness
- ✓ Strengthen resilience of local communities

# Benefits for the Private Sector

- ✓ Consolidate your registration and relationship-building process – ONE place to register instead of 50 states or 3000+ counties!
- ✓ Receive real-time incident updates from public sector agencies across the nation
- ✓ Post and share situational awareness of facilities with the appropriate user-defined control
- ✓ Receive updates on needed products & services
- ✓ Respond to products and services needs
